

Become a Superhero and Join the Fight Against Pediatric Cancer

Dear Friends,

July 2024

We are grateful to our community for their inspiring support as we honor the memory of our beloved William Schultz who died of complications from pediatric brain cancer at the age of seven. We keep William's love and legacy alive by helping and encouraging other children with pediatric cancers.

Our goal is twofold: 1) to raise money for pediatric brain cancer research to help find a cure, and 2) to improve the quality of life for children undergoing cancer treatment by donating art supplies to pediatric cancer warriors

This year, we will be hosting the eighth annual William's Chalk the Walk at the Blue Point Preserve on Saturday, Sept. 28* (rain date: Sept 29). We are looking forward to celebrating together for a joyful day of art, music, and unity.

Over the past eight years, William's Warriors has strived to fulfill our mission of delivering art therapy supplies and support to children living with cancer. As always we know that the messages of love and hope our attendees create will be a beautiful and encouraging expression of togetherness for our community.

We hope you will help us support more young Warriors and their families by making a donation or becoming a sponsor for William's Chalk the Walk!

There are several ways to contribute:

- **Become a Sponsor of William's Chalk the Walk - please email us for more information on how to sponsor this wonderful event: williamswarriorsvscancer@gmail.com**
